

\$15 Outfit Challenge

Goals of the Challenge: Check out alternatives to new clothing (such as thrift shops, garage sales, etc.). Be a wise consumer, find bargains, and overall learn to stretch the clothing dollar. Learn about care, quality of construction in purchased garments, and wardrobe planning.

Rules of the Challenge:

- Open to any 4-H member
- Limit one entry per person (entry in the \$15 Outfit Challenge counts in your total entries for the 4-H Fashion Show).
- The outfit must be selected and purchased from garage sales, thrift stores, consignment or resale shops, clearance, etc.
- The total cost of the outfit may not exceed \$15 (excluding the cost of the shoes worn while modeling).
- The exhibit can be worn as purchased, or may be altered or remade (examples: a denim skirt could have a ruffle added or jeans could be cut off to a capri length or have a band of fabric added).
- A one-page entry will be turned in with your entry form. The form will include: where outfit was purchased, cost of the outfit, and why you selected the outfit.
- Outfits will be judged as a part of the 4-H Fashion Show and modeled during the Public Show.
- Awards: Special awards will be given to the top three exhibits in the \$15 Outfit Challenge

\$15 Outfit Challenge Entry Form
