BEEF FITTING CONTEST

- TEAMS** – Each team will consist of two 4-H members who are enrolled in the Johnson County 4-H program. Participants do not need to be enrolled in the beef project but must have received Quality Assurance training or passed the appropriate test through UNL Extension prior to participating in the Beef Fitting Contest at Johnson County Fair. Training must be completed by June 15.
- DIVISIONS** – There will be three divisions a Junior Division (ages 8 – 13 years old), a Senior Division (ages 14 – 18 years old), and a Mixed Division. If team is comprised of a 4-H member who is a Junior (8 – 13 years old) and a 4-H member who is Senior (14 -18 years old) the team will compete in the Mixed Division.
- EQUIPMENT** – Teams must provide their own equipment. Each team will be allowed: one blocking chute, one blower, one set of clippers, and other needed fitting and showing accessories. Once the contest time begins, no team member may leave the area and no additional equipment may be brought into the fitting area.
- ANIMALS** – Each team will select a market steer, market heifer, or breeding heifer that either belongs to one of the team members or is borrowed from another 4-H exhibitor. The animal must be identified on the appropriate Ownership Affidavit and be entered as an exhibit in the Johnson County Fair 4-H Beef Show. All cattle must report to the contest area dry, clipped, and completely free of any artificial substances. Each animal will be lightly misted to confirm the animal is unfitted.
- METHODS** – Contestants may not use inappropriate fitting methods. These may include but are not limited to: any altering of the natural color of the animal by the use of dyes, paints, hair coloring conditions, colored show foam, graphite, colored powders or other substances; the addition of any hair or hair like substances (including twine), false tailheads, false polls, and false tail switches.
- TIME** – There will be a 30-minute time limit. Once time has been called all teams must cease working on their animals. If fitting is continued after time is called, the team will be automatically disqualified. Periodic time announcements will be made throughout the contest.
- PRESENTATION** – After the 30-minute fitting time limit, one team member will hold the entry in the designated area. All other team members must be beside the animal but are not allowed to continue fitting the animal after time is called.
- AUDIENCE** – All audience members must remain out of the area designated as the contest space and is not allowed to communicate with the participants in any fashion.
- JUDGING** – Judging will be based on the completion and final appearance of the animal and judge's questions for the team members (these will be related to their animal, products, or fitting methods).
- PRE-ENTRY** – Teams must be entered on a Johnson County Fair Large & Small Animal Entry Form to be eligible to participate at the Johnson County Fair. This form must be completed and submitted to the Extension Office by closing on July 15.
