DEPARTMENT E	DIVISION 440			SAFETY
PREMIUM	Purple \$2.50	Blue \$2.00	Red \$1.50	White \$1.00

- CLASS 1** **First Aid Kit** – A first aid kit is a good way to organize supplies in an emergency. The kit should be assembled in a container appropriate for the kit's intended use. A description of where the kit will be stored and examples of specific emergencies for that

situation should be included in the exhibit. The kit should include a written inventory and purpose statement for included items. Items should cover the following areas: airway and breathing, bleeding control, burn treatment, infectious disease protection, fracture care, and misc. supplies. Use the *Citizen Safety* manual (4-H 425, pg. 6-7) as a reference. Any kit containing any of the following will be automatically disqualified:

- Prescription medications (if the purpose of the kit is to provide medication for someone with special need, explain in written description and inventory, but remove the medication)
- Articles or items with expiration dates on or before the judging date. (This includes sterile items, non-prescription medications, ointments, salves, etc. Articles dated month and year only are considered expired on the last day of that month.)
- Any controlled substance

CLASS 2 Disaster Kit (Emergency Preparedness) – Disaster kits must contain the materials to prepare a person or family for emergency conditions caused by a natural or man-made incident. Selection of materials is left to the exhibitor. Family or group kits must have enough material or items for each person. A description of the kit's purpose and a list of individual contents is required. Youth are encouraged to test their kit by challenging their family to try to survive using only the included materials for the designated time. If tested, share that experience in kit documentation. Please include an explanation of drinking water needs for your disaster kit. Do not bring actual water to the fair in the kit.

CLASS 3 Safety Scrapbook - The scrapbook must contain 15 news articles from both print and internet sources about various incident types. Mount each clipping on a separate page and accompanied by a description of events leading to the incident and any measures that might have prevented it. The Scrapbook should be bound in a standard size hardcover binder or notebook for 8 ½" X 11" size paper. Correct sentence structure, readability and thorough explanations are an important part of judging.

CLASS 4 Safety Experience – The exhibit should share a learning experience the youth had related to safety. Ex: could be participating in a first aid training, a farm safety day camp, babysitting workshop or similar event; scientific experiment related to safety; or the youth's response to an emergency situation. The exhibit should include a detailed description of the experience, the youth's role, some evidence of the youth's leadership in the situation and a summary of the learning that took place. Exhibits may be presented in a poster with supplemental documentation, a notebook including up to ten pages of narrative and pictures, or a multimedia presentation on a CD lasting up to five minutes.

CLASS 5 Careers in Safety – The exhibit should identify a specific career area in the safety field and include education and certification requirements or available positions, salary information, demand for the field, and a summary of the youth's interest in the field. Examples of careers include: firefighters, paramedics, emergency management personnel, some military assignments, law enforcement officers, emergency room medical personnel, fire investigator, and more. It is recommended youth interview a professional in the field in their research. Additional research sources might include books, articles, career web sites, job-related government web sites or interviews with career placement or guidance counselors. Exhibits may be presented in a poster with supplemental documentation, a notebook including up to ten pages of narrative and pictures, or a multimedia presentation on a CD lasting up to five minutes.
